

**United States District Court
District of Minnesota**

Christopher Roller
(Plaintiff)

Civil Action No. 07-1298 JNE/JJG

vs.

Central Intelligence Agency
(Defendant)

Affidavit

I hereby swear under oath the following.

1. This document, in part, helps the legal profession and CIA understand what I'm doing. I might be doing this regularly.
2. Chris Roller is going to make (bold) statements under oath so that it will become fact, in essence, change and create reality. He's doing this because his demons are trying to do the same thing. They are trying to change things on me. So I am experimenting, to counter what they are doing. Will I get perjury charges? Let's find out.
3. OC is defined as Outside the court forum. IC is defined as Inside the court forum.
4. Chris Roller made available to the global public, on 11Oct2007, my "Truth under Oath" magic trick so they will learn it immediately. Chris Roller taught this trick to everybody on the planet via his mind (prayer or mind command). Anybody can do the trick now. I am submitting this so that I will get all credit and proceeds for creating the trick (patent, etc.). This trick is posted on www.mytrumanshow.com. It is absolute confirmation about "Truth under Oath", and Chris Roller is making it happen. No one can lie under oath because of Chris Roller.
5. Truth under Oath has been gradually in effect over the past year. It became solid around 1Jan2007 for Chris Roller. It's been gradual for the public since 1Jan2007, becoming solid for everybody on 11Oct2007.
6. Unless redefined in a legal document, God: creator of the universe, guiding our actions via God's plan, around since the beginning of time (big bang). Symbolic for the good of mankind, and truth and justice; bringing about judgment day, for your actions, before the gates of heaven and hell.
7. Unless redefined in a legal document, Messiah: symbolic name for the entity representing/assuming God in human form.
8. Unless redefined in a legal document, Jesus: same as Messiah.
9. Unless redefined in a legal document Devil: Entity representing death and destruction, pain and suffering, humiliation, devouring souls, selling souls,

- evil, deceptive, cunning, liar.
10. Unless redefined in a legal document, Satan: symbolic for entity representing/assuming Devil in human form.
 11. Unless redefined in a legal document, Demon: somebody working for Satan.
 12. Chris Roller is Jesus
 13. Chris Roller is the Messiah
 14. Chris Roller is God
 15. Notary publics, when they witness a signature, verifies under oath the validity of the signature - that person is who they are. It's fact.
 16. Notary publics, when they witness a signature of a document with the word "oath" in it, verifies under oath the validity of the signature, and verifies that the document is "Truth under Oath". It is a fact. It is truth.
 17. eNotaries, when sent, verifies under oath the validity of the signature, and verifies that the document is "Truth under Oath". It is a fact. It is truth. The eDocument is fact, truth, authentic.
 18. It only took me 8 years to figure out how to play the Game properly. People say I got a split personality. They're not kidding. I gotta act completely normal OC. It's hard to conduct that magic trick without stirring up some strange looks.
 19. For the legal profession, www.mytrumanshow.com is fact. I've stated it as joke for now, for all except one profession - legal. This is in case I go public, it will allow me to be normal OC stating that I've conducted a joke for the past years (my show), yet when I come back to the court forum, I can tend to my Godly duties. This dual role (identity) will continue for a while. I have no idea how long, governed by the Game of Life (God's plan).
 20. "Truth under Oath" Magic Trick confirms the world is very strange and very complex.

"Truth under Oath" Magic Trick

First, the subject is told he can keep the document he's about to sign so he can discard it (burn it).

The experiment first asks a person to sign before a notary public the following,

I do hereby swear and declare under oath

My name is John Doe

But the subject doesn't sign it because he can't.

The subject is then asked to sign the following before a notary public,

I do hereby swear and declare under oath

I cannot fly like superman

But the subject doesn't sign it because he can't, because it is a lie. People can fly! This confirms the world is weird. This works via the power of control through God's "griplock" on people, governed via God's plan, giving Chris Roller his "Truth under Oath" magic.

Respectfully submitted,
