BOSSA ENTERTAINMENT CORP.
Defendant 1325 AVE OF AMERICAS
NEW YORK, NEW YORK, 10019

David Blaine has been using my godly powers to perform his magic. This is a labor dispute in accordance with Minn Statute 179.06 for past/future commission compensation.

www.mytrumanshow.com explains my life and journey to godliness. I believe David Blaine has been using my godly powers to perform his magic.

We've all seen clips of UFO videos. They dance around in the sky at the speed of thought. So we know that godly powers can coexist on planet Earth. Godly powers means using thought to control actions/results, usually defying explanation and laws of physics. I believe magicians have also been granted godly powers by me somehow, but they have been keeping it a secret and keeping the credits from me.

If David Blaine has godly powers, then he must be using my powers. That, or I need detailed explanation (in person) of how he does his tricks, performed/explained to me privately, or in the courtroom (complete confidentiality), and I will leave him alone if I'm wrong - i.e. tricks/illusions are done conventionally. This corresponds to MN. Fed suit against David Copperfield 05-446 JRT/FLN.

If godly, I want back-pay compensation - 10% past/future career earnings. Estimating 10% of past career earnings of over \$2,000,000.
