

**United States District Court
District of Minnesota**

Christopher Roller
(Plaintiff)

vs.

David Copperfield Disappearing Inc.
c/o David Copperfield
(Defendant)

Civil Action No. MN-05-446 JRT/FLN

To: Judge Tunheim; Magistrate Judge Noel
CC: Andre J. LaMere

Type 9 Conspiracy

I stated I may have more evidence supporting my claim for the conspiracy against me by the mob. Case 05-1420 (document 5) shows this conspiracy, perpetrated by psychiatrists (type 9), via the mob (type 9), to hide the truth about godly powers, to keep me down, to call me crazy, even despite proof of godly powers (this case) on planet Earth - all to keep me from coming forward to collect my magic pot of gold.

Respectfully submitted,

Date: 22 Aug 2005
