In Re: Roller v. GE Medical Systems Information Technologies, Inc.
 Civil No.05-1297 (MJD/JGL)

Dear Counsel:

This will confirm our conversation during the Rule 16 scheduling conference in court this morning wherein I advised the parties that we will defer getting out a scheduling order until Judge Davis has an opportunity to rule on the dispositive motion that is presently scheduled to be heard by him in November.

You are each expressly instructed that if the case survives Judge Davis's ruling that you are required within 10 days of the date of that order to contact whatever magistrate judge has been assigned to this case and reschedule the Rule 16 scheduling conference.

Very truly yours,

s/Jonathan Lebedoff
