(Plaintiff)

Civil Action No. 05-2177

vs.

George Bush Administration  
c/o George W. Bush,  
Richard B. Cheney,  
Donald H. Rumsfeld,  
& John David Ashcroft  
(Defendant)

**OPPOSITION TO MOTION FOR  
ENLARGEMENT OF TIME TO  
ANSWER OR OTHERWISE  
RESPOND**

**OPPOSITION TO MOTION FOR ENLARGEMENT OF TIME TO  
ANSWER OR OTHERWISE RESPOND**

I oppose the motion for enlargement of time because...

1. I was hoping to start proceedings before Bush's term is over.
2. I was hoping for a wonderful \$1 trillion Christmas present to help end the suffering type 9s have helped create for me.
3. I thought I served the defendant properly.
4. Winning this case now means a whole new world for me and mankind perhaps, earlier than later, as I make an advance to a more heavenly Earth under God's plan. This could also include a new election without magic influence, and with myself as a candidate.

If I portray some humor, it's to counter the humorous tactics the defense has exhibited. I served the summons over 2.5 months ago (I thought properly) and now the defense plays like they never heard about it. A 20 day extension after serving seems more appropriate, if any. I oppose the/any extension.

Respectfully submitted,
