vs.

The James Randi Educational
Foundation, Inc. (JREF)
(Defendant)

Affidavit

Affidavit

1. Judge Noel helped to conspire the hit on me on 6Feb2007 with Richard Ostlund (07-01296 docket #84) and James Randi and many others.
2. Judge Noel knew of all my interrogatory questions submitted to James Randi via Ostlund office.
3. Knowing the questions, and not liking the answers, Judge Noel conspired to stay discovery to prevent my important questions from being answered.
4. Then Judge Noel helped James Randi and George Bush get off, and is probably going to help Ostlund and all the others get off if I don't get rid of him.

Respectfully submitted,

Date: 21 Nov 2007
