STATEMENT OF THE CASE**

Honorable Judge Mark Boris via WFJ and  
Bosley and State of Minnesota

Attorney Alexander Gese via Bosley,  
Defendant.

---

1. These responding defendants lack sufficient knowledge as to whether all named parties have been served with process. The case is at issue as to these responding defendants.
2. Estimated trial time: 1 day.
3. Jury is requested.
4. Concise statement of the case including facts Plaintiff intends to prove and a legal basis for claims:

Please see Plaintiff's Complaint.

5. Concise statement of the case indicating facts Defendant intends to prove and legal basis for defenses and counterclaim:

Please see Defendants' Gese's and Bosley, Inc.'s Motion to Dismiss and Memorandum in Support thereof. Examination of Mr. Roller will prove that Plaintiff's claim allegations, for which he has the burden of proof, are entirely devoid of any facts or grounds that could give rise to a legally recognized civil cause of action against defendants. Further, he has suffered no damages.

6. List the names and addresses of witnesses known to either party that either party may call. Indicate the party who expects to call the witness and whether the party intends to qualify that witness as an expert.

Plaintiff Christopher Roller (address below), Alexander Gese (c/o Richard Allyn, Robins, Kaplan, Miller & Ciresi LLP, 800 LaSalle Ave., Suite 2800, Minneapolis, MN 55402) and a corporate representative of Bosley, Inc. (c/o Richard B. Allyn). These responding defendants further reserve the right to call any witness identified or called by Plaintiff and/or any other party, as well as any witnesses necessary for impeachment or rebuttal during trial.

7. In claims involving personal injury, attach a statement by each claimant, whether by complaint or counterclaim, setting forth a detailed description of claimed injuries and an itemized list of special damages as required by the rule. Indicate whether parties will exchange medical reports.

Please see Plaintiff's Complaint. No personal injury has been alleged.

Dated this 11th day of February, 2010.
